## PoliteMail 5.0/PoliteMail online

Sharing a mailing list will make it available to all users, or will adhere to **Group permissions** if your company is using **Groups**.

1. Go to **POLITEMAIL**> Lists > **Mailing Lists**
2. Click on the list you want to share. A new dialogue box will pop up.
3.  Check the "Shared" box and **Save**. You should see a blue icon of circular arrows under the "Shared" column (in **Version 4.9x**, the icon is an envelope with a person and small double-arrow  .
  - Alternatively, you can also click on 'Actions' and select 'Set Sharing' (this is the only option in **Version 4.9x**).
